

Instructions:

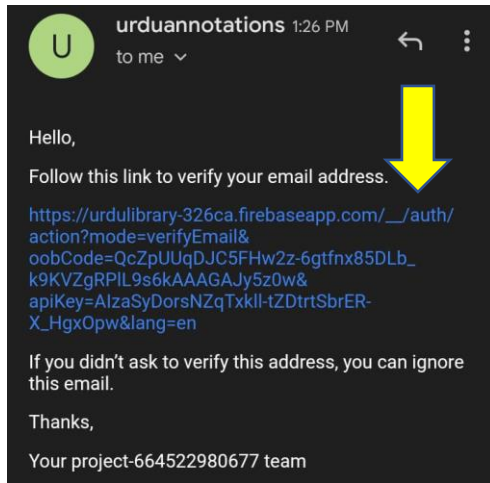

1. To sign up for the application, click on the text “Don’t have an account? Register”.

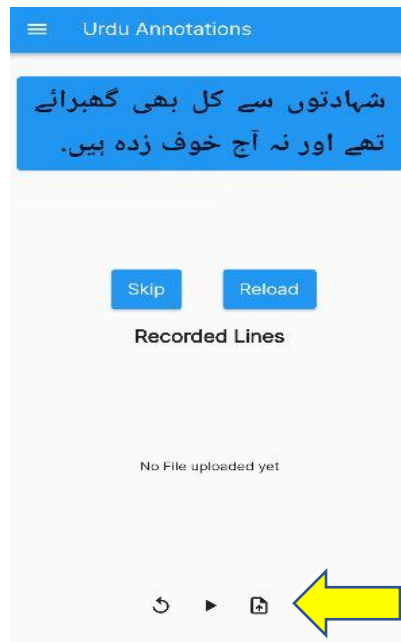

2. After filling out the form, click the signup button to be taken to the email verification page.

3. Check your email inbox for the Urdu Notations verification link and click it.

4. To access the application, enter your account information on the login screen and click the login button.
5. You can record the sentence by pressing the black dot button at the bottom.
6. The application will display the three buttons after you've recorded a sentence.
 - a. The first button is used to record the sentence once more.
 - b. The second button allows you to listen to the audio that has been recorded.
 - c. Using the third button, you can upload the recording.

7. On the homepage, you'll find a list of all recordings, as well as an option to play them.
